Strategic partnerships
Digital operations
EdTech & AI products
Education - Hospitality
Project leadership

CAREER OBJECTIVE

A versatile professional with a dual background in English Language and Business Administration, supported by educational management training; focused on strategic partnerships, digital operations, education transformation, and AI-integrated technology products.

Connecting international communication capability with practical technology execution, focused on strategic cooperation, process optimization, and learner-centered outcomes.

WORK EXPERIENCE

CEO & Co-Founder | IVS JSC

04/2024 - Present

- Lead growth strategy, financial model, and human resources organization for IVS education and technology operations.
- Negotiate, recruit, and manage international teachers while maintaining professional standards and learner experience.
- Design and deploy in-house SaaS/EdTech platforms to digitize operations and reduce manual workflows.
- Direct AI-integrated products across center management, learning care, LMS, teacher recruitment, marketplace, and local data portals.

Digital & Remote Operations Management | Kha Dock & Homes Construction LLC

10/2023 - Present

- Built khadock.com and khahome.com digital presence for service discovery, quotations, and consultation booking.
- Managed brand presence across Google Business, LinkedIn, and cross-border digital channels in Florida.
- Optimized technical SEO and content to improve quality traffic and conversion from digital channels.

Head of Market Development | AMG International Education JSC

06/2023 - 04/2024

- Established and signed cooperation agreements with nearly 50 schools in Dong Nai within 10 months.
- Led the IELTS Station project from market survey and model design to facility setup and operation.
- Coordinated multi-department teams to ensure schedule, service quality, and cost efficiency.
- Organized a 1,500-participant community event to strengthen brand coverage.

ADDITIONAL WORK EXPERIENCE

Business Development & Events Manager | Song Trang Restaurant

11/2021 -
04/2023

- Built a 200+ travel partner network to create a stable source of customers.
- Reached 15,000 guests served in three peak months by optimizing the booking process.
- Designed event visuals and large-scale decorations; developed service packages by customer segment.

Co-Founder | TUK TUK: Tea - Pizza & Beer

2019 - 2021

- Co-founded and operated a four-branch F&B chain across Ho Chi Minh City and Dong Nai.
- Redesigned supply processes, controlled inventory, and standardized service workflows.
- Managed costs using a Lean approach to improve staff and resource efficiency.

Rewards Manager & Flight Crew | The Grand Ho Tram & VietJet Air

2017 - 2019

- Served premium-segment customers with a loyalty-oriented and personalized experience.
- Handled emergency situations, coordinated with flight crews, and complied with international aviation safety procedures.
- Developed cross-cultural communication, rapid-response, and high-pressure execution capabilities.
